

German Mobility Award

The German Mobility Award 2022 starts:

Starting June 15, the Federal Ministry for Digital and Transport (BMDV) is looking for exciting, daring and surprising ideas, projects and creators relating to the future of mobility.

Become a part of the German Mobility Award community:

- **Apply** with your innovative project or idea.
- **Suggest ventures, thought leaders and masterminds** that impress you.
- **Apply** to become a member of the jury.
- **Network** with mobility and innovation experts and connect with creative visionaries.

and Transport

This is the German Mobility Award

The German Mobility Award (DMP) is one of the most important awards in the field of digitalization and mobility in Germany. For the seventh time, the Federal Ministry for Digital and Transport (BMDV) is awarding prizes to innovative projects by citizens, developers, experts and outstanding personalities who are rethinking the future of mobility.

Whether with an artistic presentation or an international project – as of this year, you can win in ten different award categories:

- DMP | Good Practice
- DMP | Knowledge Transfer
- DMP | Change
- DMP | Data and Innovation
- DMP | International
- DMP | Young Vision
- DMP | Science Fiction
- DMP | Art
- DMP | People
- DMP | Audience Award

This is how you can participate in the German Mobility Award

Apply with your project!

All selected projects receive nationwide attention and encourage reflection and further thinking. The award winners will receive targeted communication measures, non-cash prizes and transparent jury feedback. We are looking forward to receiving your submission.

Suggest groundbreaking projects!

Do you know of any unconventional mobility projects or impressive personalities? Put them forward for the German Mobility Award and promote projects and personalities that are changing the future of mobility.

The public vote: vote with us!

Who will be on the shortlist for the German Mobility Award 2022? Everyone can vote for the most convincing submissions. Take part in the vote.

The DMP Jury: Apply for a jury seat!

A competent jury of experts selects the prize winners. One seat is reserved for a "citizen jury" member, a seat for a non-expert. Apply online.

Become part of the DMP community!

Throughout the year, you can take advantage of on- and offline networking and knowledge exchange opportunities. Share your experiences and exchange ideas on sustainable mobility.

All information and opportunities to participate in the German Mobility Award are available on the website: www.mobilitaetspreis.de

In 2022, the BMDV has commissioned the iRights. Lab and the German Informatics Society, with the planning, implementation and supervision of the German Mobility Award.
